Banovision
SMART YOUR SECURITY

Who is Banovision:

Established in Apr. 2008, Banovision Technology Co., Ltd. is a professional and brilliant CCTV products developer and manufacturer, as well as OEM & ODM service provider in Shenzhen, China. Banovision has 6 manufacturing lines, with 4 professional SMT Machine lines and 2 advanced automatic assembly lines;

Why choose Banovision:

Banovision establishes completed quality management system:

In raw material procurement, Banovision cooperates with world-renowned electronic companies, such as SONY, SHARP, Huawei, ROHM, Taiwan TynTek, Deawon and so on, which guarantees the quality and stability of every accessory in production. QC controls the quality parameter in specification strictly; QA makes sure all the operation proceeding under SOP and releases the goods. Banovision Products passed by CE, FCC, ROHS etc. and gets good reputation in the customers throughout the world.

What Banovision sell:

New Surveillance Products, CCTV HD Camera, stand alone HD DVRs, IP cameras, NVRs;
The R&D team of Banovision always focus on creative new technology on surveillance products.

What service Banovision provides:

- Free training courses about products for Banovision's agents;
- English technology support (around 24 hours);
- 24 months warranty date; Free repairing within 24 months (exclusive man-made destroy) and bearing one party freight;
- Supply free 0.5%-1% spare for each order for Banovision Agent/wholesales/distributor;
- Less than 7 days for formal orders in lead time;

Welcome to visit Banovision;
